## CRITERIA FOR APPLICANTS:

1. Current enrollment in an Engineering or Engineering Technology curriculum accredited by the Accreditation Board for Engineering and Technology (ABET) or other accrediting agency recognized by ASHRAE. Students pursuing an associate degree in Engineering Technology need not be enrolled in an ABET accredited program, but must be pursuing a course of study, which traditionally has been a preparatory curriculum for a career in HVAC&R.
2. Current service or plans to serve the HVAC&R profession.
3. Need for financial assistance.
4. Demonstrated leadership ability.
5. Character attributes.

**IMPORTANT:** *The completed application, essay, and an **enrollment certification** must be submitted in one package and postmarked on or before the application deadline before your application can be considered. Submit only one application.*

I hereby agree that my misstatement or omission of any information requested in this application shall be valid reason for rejection of this application. In the event I am selected to receive this scholarship, I agree to attend the local chapter award presentation.
